## Attends Agricultural Machinery Conference 2009!

We attended the 24th Annual Agricultural Machinery Conference in Cedar Rapids, IA on May 5th and 6th, where there were over 50 exhibitors present. A few of our people were on hand each day to answer questions.

Setting up our display in  
the booth on  
Monday, May 4th

Unloading the early 1900's-style  
Caterpillar tractor that was on  
display during the show
